

Needle Felting with J. Hann

~SHOPPING LIST~

You can purchase the following items needed for the workshop from anywhere, but here is a useful shopping list from Michaels for ease. <https://share-a-cart.com/share/UU1PF>

This list includes:

- Needle felting block
- Felting needles of various sizes
- Multi needle tool
- Bulk core wool roving
- Needle felting finger protectors

~

A simple needle felting kit also works!

In addition, I highly suggest purchasing some merino, batting, and blended roving wool to get a feel for each.

Some great places to shop wool from -
